Email:  
swaraj.roy2018@gmail.com

---

### COMMUNICATION

I am good at communicating and adapting to different work situations and working together as a team with the people around me in case of team projects.

---

### LEADERSHIP

Leadership isn't my strongest suite but if that's what the situation calls for, I'm up for it.

### EDUCATION

Currently studying Computer Science Engineering in Siliguri Institute of Technology

Completed my 10+2 from DAV, Fulbari Affiliated to CBSE board

Completed my primary education from St. Joseph's School, Bhaktinagar Affiliated to ICSE board

---

### EXPERIENCE

Currently I have no work experience but am willing to partake in any events that will help me with it.

---

### SKILLS

Languages: C, Java, Python.

Web Development: HTML, CSS.

Database Management: MySQL

Basics: MS Word, MS Excel, MS PowerPoint

---

### PROJECTS

I am currently working on a web development project, "ItsAllAtHome". It's still a work in progress so further details will be available once it has been progressed up to its first checkpoint.
